Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

4g15 Check Engine Service

Check it out. 2. Noise. R18A engines can make noise due to the tensioner pulley failure, which has the service life of about 60,000 miles, sometimes less. Check it and replace if necessary. 3. Vibrations. In case of cold start this is normal, since the engine has low idle speed. If the vibration is too strong, check engine mounts, especially ...

Honda R18A (R18Z) engine | Features, tuning and motor oil

Count the number of times the malfunction indicator lamp (check engine lamp) on the instrument panel flashes on and off. The number of flashes represents the trouble code. There is a slight pause between the flashes representing the first and second digits of the code. Longer pauses (approx. 4 seconds) separate ; individual trouble codes.
