Choose an address book that fits easily in a purse or briefcase or a larger book to store in a drawer and keep track of hundreds of contacts. Look for designs that feature enough spaces for the contact details you wish to include, as well as extras, like space for birthdays, anniversaries or emergency numbers.

But when you think about it, keeping an old-fashioned address book is still very practical. In case you lose your smartphone, you'd still have a backup of all your contacts' information. Also, some people believe that keeping an address book is a lot simpler. Address books are a lot cheaper than smartphones and devices.
