Overall, however, as Venables argues, the Articles of Confederation would more closely reflect American Indian political theory than the Constitution, ultimately to the detriment of the Indian nations. The Constitution would create a central government in which power would be concentrated, versus the loose confederation of the cooperative but ...

Native American Influence on the Founding of the US

American Indians are a casual part of the text of the Constitution. They are mentioned primarily in passing in the apportionment clause of section 2 and the commerce clause of section 8 of Article I. The language of apportionment is again found in the fourteenth amendment. In all three instances, the primary purpose was to define the powers of Congress and limitations on the states, not to provide a clear understanding of the relationship between the United States and the Indian tribes then ...
