Remember, we always use this word when talking about the past. So when do you use use to without the d at the end? When the base form of the verb is used. Look at these examples- She didn't use to swim before noon. (Now she does swim before noon.) This website is one I use to check the statutes of limitations state by state.

## **Use to/ Used to**

I think it's because in the second case the D sound (from "used") is followed by the T sound (from "to"), compounded by the fact that the two words are almost inseparable, said very quickly one after the other, different from when you might say, for example, "I used tools." (Also D followed by T but a brief pause there to emphasize tools, so you still hear the Z sound in used).
