Nov. 2, 2020—John Bean updates its EZ-ADAS recalibration mobile app, which helps technicians work more efficiently on 2020 models. The EZ-ADAS app now uses laser-guided target placement positioning and the app allows technicians to scan the vehicle barcodes with the phone's camera to ensure accuracy at both steps. According to a press release, technicians can also quickly search for ...

John Bean updates EZ-ADAS app | 2020-11-02 | FenderBender

October 28, 2019—John Bean has announced its new EZ-ADAS system for shops to expand their business by servicing ADAS-equipped vehicles. Advanced Driver Assistance Systems (ADAS), commonly referred to as drivers' aids or safety systems, are not coming, they are already here. For shops to add ADAS sensor calibration to the services they offer, they must have the right equipment on hand.
