John Deere LA105 Engine dies when blades engaged. Hi we have a John Deere LA 105 and are having some problems. Everything seems to run fine until the blades are engaged. Turning the blades on seems to cut the fuel to the engine and the mower turns off. We've replaced all the filters and fluids and spark plug.

And a cooler running engine and better filtering helps increase engine oil life. John Deere's recommended oil service for 100 Series Riding Lawn Tractors 1, is to change the System every 50 hours or once a season, whichever comes first. Remember, the System replaces a portion of your engine oil. And that's plenty.
