Star Trek: Destiny is a generations-spanning story, beginning in the early days before the formation of the Federation, and culminating in the 24th century with a massive attack by the Borg against the Federation, a conflict in which the very survival of civilization is at stake.

Trek Lit Reviews: Mere Mortals

One of Earth's first generation of starships, lost for centuries, has been found dead and empty on a desolate planet. But its discovery so far from home has raised disturbing questions, and the answers harken back to a struggle for survival that once tested a captain and her crew to the limits of their humanity.
