for your body too such as glowing skin ☐☐

### **My Tone It Up Journey - Eat Yourself Skinny**

I bought the diet plan. I really like it and it's a fun community of women. There are updates to the plan often and even skinny cocktail recipes. My only issue with Tone It Up is that these are single, childless women that live in sunny California where the weather is conducive to working out and where organic, healthy food is readily available.

Last week, I was greeted with a new Tone It Up diet plan in my inbox from Katrina and Karena. The entire plan has been revamped and includes 50 new recipes and an extensive goal achieving program. I wrote a review and fell in love with the plan a few years ago when I used the 7 day slim down to lose a few pounds for one of my very first photo shoots in 2010.
