Regulating Corporate Human Rights Violations: Humanizing ...

Overview. Despite the continuous addition of regulatory initiatives concerning corporate human rights responsibilities, what we witness more often than not is a situation of corporate impunity for human rights abuses. The Bhopal gas leak - examined as a site of human rights violations rather than as a mass tort or an environmental tragedy - illustrates that the regulatory challenges that the victims experienced in 1984 have not yet been overcome.

Regulating Corporate Human Rights Violations: Humanizing ...

Building on literature in the fields of law, human rights, business ethics, management, regulation and philosophy, this book proposes a new 'integrated theory of regulation' to overcome inadequacies of the existing regulatory framework in order to humanize business.

Regulating Corporate Human Rights Violations

The book confronts the 'why', 'what' and 'how' challenges to the goal of humanizing business (i.e., why should companies have human rights responsibilities, what are these responsibilities, and how to ensure that companies comply with their responsibilities) and canvasses an integrated theory of regulation to overcome the obstacles experienced in holding multinational corporations accountable for human rights violations.

Regulating Corporate Human Rights Violations: Humanizing ...

This chapter highlights why the current territorial model of regulating corporate human rights abuses is inadequate to deal effectively with modern violations of human rights by companies that operate at a transnational level. It is contended that a case can be made for extraterritorial regulation without doing too much violence to the well-established principles of international law.

Corporate Human Rights Violations: A Case for ...

Economic globalization and the rise of transnational corporate power have created a favorable climate for corporate human rights abusers, which are governed principally by the codes of supply and demand and show genuine loyalty only to their stockholders.
