### **A Readers Book Of Days**

A Reader's Book of Days is stuffed with interesting little stories about authors and their books, and there's a lot that's been added to my to-read list. My one criticism is the lack of diversity. Obviously I didn't count or make a spreadsheet or anything, so I'm guessing ratios here, but it seemed like 90+% of authors

For example, if you have a 300 page book to read in 7 days, you can realistically expect to have to read about 43 pages per day. That is 300 pages divided by 7 days. If you want to determine how many pages you have to read per hour using this calculation, divide number of pages per day by hours you expect to read per day.
