Andy Warhol: Polaroids. "I've never met a person I couldn't call a beauty," Andy Warhol famously said—and the rise of instant Polaroid photography in the 1950s gave him endless opportunities to capture any beauty he encountered. From 1958 until his death in 1987, Warhol kept his SX-70 Polaroid close at hand, relentlessly documenting the muses in his artist studio The Factory, the characters he encountered around New York City, and the celebrities he met in Hollywood, California.
