Bruce Silver conducts private 2-day BPMN Method and Style classes in English worldwide at the client's facility. The course outline is the same as for the other delivery formats. This format is the best for interaction among the students, and allows for some tailoring of the content based on the client's particular emphasis.

This class teaches students how to

Read Free Bpmn Method And Style 2nd Edition

communicate process logic clearly through BPMN diagrams: the diagram elements they need in practice, how to use and label them correctly, and how to create models that are structurally correct.

Learning to create “good BPMN” – models that communicate the process logic clearly, correctly, and consistently through the diagram – does not require
