Publications and resources related to State and Federal civil laws on child abuse and neglect, child welfare, and adoption. Federal laws provide standards and guidelines; however, these issues are primarily governed by State laws and regulations in the United States.

### Laws & Policies - Child Welfare Information Gateway

The Practice Handbook is not and cannot be a comprehensive procedure for child protection and welfare practice. It is a 'quick reference' document to support skilled practice both within the HSE and between it and partner agencies. It is not a complete or authoritative statement of the law and is not a legal interpretation.

### Child Protection and Welfare Practice Handbook

Advocating for a "color-blind" approach to child welfare practice, they argued that the longer length of stay in out-of-home care for minority children was due to delays caused by race matching policies that existed in some jurisdictions at the time and child welfare practice that favored the placement of children with families that reflected the race and culture of the child.
