Argumentation ethics is a proposed proof of the right-libertarian private property ethic developed in 1988 by Hans-Hermann Hoppe, a Professor Emeritus with the University of Nevada, Las Vegas College of Business and Ludwig von Mises Institute Senior Fellow. Responses have mainly come from Hoppe's colleagues at the Mises Institute, among whom the argument's reception has been mixed.

The study of ethics should also lead one to develop skills in articulating your own values, to provide others with reasons for your actions and give you the means of questioning the values of others. In the USA today there is a great need for citizens to be able to listen to one another, to express their values, to assess the reasons behind this or that political policy, institution, and ...
