Introduction. On April 1 st, the new Government Procurement Act ("GPA") came into force (Law n. 14,133/2021).The new Act brings many positive changes to the processes of tendering and bidding conducted by state entities. Its legal provisions intend to bring greater legal certainty for those who want to invest in large projects in Brazil led by the Federal, State or Local Governments.

What is a contract? Construction contracts A contract is an agreement entered into between two or more people with the intention of creating legally enforceable obligations. Once properly concluded, a contract is binding on each party. This means that each party has a legal obligation to do the things which the

A GUIDE TO CONSTRUCTION CONTRACTS

Construction is a general term meaning the art and science to form objects, systems, or organizations, and comes from Latin constructio (from com-"together" and struere "to pile up") and Old French construction. To construct is the verb: the act of building, and the noun is construction: how something is built, the nature of its structure.. In its most widely used context, construction covers ...
