National Health Service A Political

The National Health Service (NHS) is the umbrella term for the publicly-funded healthcare systems of the United Kingdom (UK). Since 1948 they have been funded out of general taxation. There are four systems, one for each of the four countries of the UK: The NHS in England, NHS Scotland, NHS Wales and Health and Social Care in Northern Ireland. . They were established together in 1948 as one of ...

National Health Service - Wikipedia

The National Health Action Party (NHA) is a political party in the United Kingdom.. The party grew out of the movement opposing the 2012 Health and Social Care Act. It campaigns for renationalisation of the privatised parts of the English National Health Service, reductions in outsourcing, and improvements to NHS funding, service provision and staffing.

The National Health Service: A Political History. JP Bunker ... He writes that "it is universally agreed that the National Health Service represented an enormous improvement on the ramshackle assemblage of health services that it superseded" and "with respect to its all-important purpose, ...

The National Health Service: A Political History

The foundation of the National Health Service on 5 July 1948 was a momentous development in the history of the United Kingdom. Issues of health care touch the lives of everyone, and the NHS has come to be regarded as the cornerstone of the welfare state and as a model for state-organised health care systems elsewhere. Yet throughout its history, the Service has existed in an atmosphere of crisis.

The National Health Service: A Political History - Charles ...

The National Health Service (NHS) changed this, and medical care became free and based on need rather than on ability to pay. It was 100 per cent financed from taxation, which meant the rich contributed more than the poor. Everyone was eligible for treatment, even foreigners living temporarily in Britain, and treatment could be given at any NHS ...

Charles Webster Oxford University Press, £9.99, pp 233 ISBN 0 19 289296 7 Doctors in the United States still express a strong distaste for what they perceive as socialised medicine in Great Britain. But, of course, few of them are familiar with the NHS and how it functions. They are not familiar, for example, with how much greater freedom of practice the British doctor has had, at least up to ...
