Logic dictates that the Mercedes-Benz W140 coupés will be highly collectable cars in the near future. The youngest of them is 20 years old now and as well as being the absolute technological flagship of the Mercedes range throughout the '90s, they're also quite a lot rarer than you might think: just 26,022 of these giant pillarless two-door four seaters were built between 1992 and 1999.
